The winners in this year's contest were: taking first place was The Peccini Family of 12 Holly Lane. In a tie for second place were Jane Chase of 36 Fairhaven Road and Mr. and Mrs. Ernest Lajeunesse of 6 LeBaron Way; the third place winner was Carol Lareau of 44 Prospect Road, and fourth place was awarded to Allison Fleming of 3 Briarpatch Lane.

Congratulations to all the winners and to all who entered the contest. It was nice to see that so many people spent some of their precious time to make our town a little bit more "special".

The Lions' Club offers sincere thanks to Antone's Restaurant, The Mattapoisett Chowder House and Turk's Seafood Restaurant who generously donated gift certificates used as prizes in this year's contest. Also, many thanks to Donald Jason and all the staff at the Presto Press for their continued support and their extensive coverage of the 1991 Mattapoisett Lions' Door Decorating Contest.

Christmas Lighting Thanks

The Mattapoisett Board of Selectmen wishes to take this opportunity to thank all the individuals who so kindly donated their time to make our 1991 Christmas Lighting a great success.

MATTAPOISETT SELECTMEN'S MEETING
DECEMBER 17, 1991-by VIRGINIA MORGAN

Selectmen agreed at the Tuesday, December 17th meeting that the letter from the United States Postal Service informing the Board of its desire to pursue a location of a new facility within southeastern Massachusetts area for a new mail processing center was of great interest and that the board welcomed a joint meeting with representatives of the service to discuss the matter further. The Postal Service has determined there is a need for a new processing center; and in the near future a survey will be conducted to examine alternative solutions to meet the future needs, writes Wallace Kido, General Manager/Postmaster, Providence

Center. Upon approval of the study, it will take up to three years for this project to be completed, he noted.

Selectmen agreed on the joint meeting and felt the proposal would be of interest to landowners. They agreed to ask the Postmaster for preliminary information on land area required and the footprint for a proposed building and other requirements.

Selectmen stressed this new proposal had no connection with the local facility being constructed in Rochester.

In other business during the brief session, Selectmen:

WERE NOTIFIED by the State Department of Revenue, Division of Local Services, that Mattapoisett has $52,955 as free cash, as of July 1, 1991.

HEARD FROM Marc Folco, President of the Fin, Fur and Feather Club of Mattapoisett, Inc., that "based on the safety and security of our neighbors as a top priority, we have rebuilt the backstop and are currently reviewing plans to construct a deflector roof and baffles on our range that would absorb any stray shots resulting from someone shooting up in the air."

Mr. Folco wrote concerning a complaint from a neighbor who alleged that he found bullets in his roof. "We feel it is irresponsible shooters who are causing the problem. We recently reopened our centerfire pistol and rifle shooting on a

very limited and controlled basis after prohibiting it about a year ago. Now shooting is Sundays only from noon to 3 p.m. and on weekdays only for special circumstances such as police department qualifications. All will be conducted under the strict supervision of an appointed range officer. Centerfire rifle shooting (the noisiest ones) will also be limited to only ten shots per person per day when the range is open to centerfire shooting. We hope we can continue to exist in harmony with our neighbors", writes the club president.

Received a copy of a letter from Ralph Sanford, president of the Antassawamock Club, Inc., sent to Highway Surveyor Wesley Bowman thanking him for the excellent job "your team of 'wood chippers' did in cleaning up the hurricane debris at Antassawamock. Several members informed me that you had promised to help us with the cleanup and you certainly did come through with flying colors."

GRIEVANCE HEARING

There was a grievance hearing held Thursday, December 19th, at 7 p.m. in the selectmen's office in executive session. Results have been announced.

Police Officer F. Mitchell Suzan had filed a grievance with the International Brotherhood of Police Officers (IBPO) claiming he should have been paid for four hours overtime that he had worked during Hurricane Bob on August 19, 1991.

The Board of Selectmen unanimously voted to grant Officer Suzan the four hours at his time and a half rate. The board also approved Officer Suzan's grievance, said Selectmen Chairman John N. DeCosta.

When contacted later, Police Chief James F. Moran said, "Officer Suzan was not officially called out for duty on that day and I felt the wages were not due. Officer Suzan had the option to file a grievance, which he did with a private attorney." The chief had no additional comment to make.

Chairman DeCosta explained the board felt Officer Suzan should be paid, and "that's how we voted."

display at #26, the home of Paul and Joan Garib. Every year for the last 15 or 16, they have decorated their house and yard and like Topsy, it has grown as they add a little each year until the beautiful result at present. This brilliant display stops people for quite awhile as they enjoy the color, the figures and music. The Santa Claus and reindeer, dashing across the sky is the favorite of children and many of the adults. Mr. and Mrs. Garib receive many thanks from the spectators and enjoy building their yearly Christmas card in living color which certainly is a highlight of the Mattapoisett Christmas season.

Selectmen Chairman John DeCosta as he displays the new furnace, donated by Mahoney's, to R. William Blasdale who donated the mini-blinds for the new addition.

Tuesday, December 17th.

Complimented by Selectmen Chairman John N. DeCosta were the many workers who either donated their time and expertise or those who donated materials and items needed to complete the expansion of the town hall offices into the former police station. The police station was moved to its new building on Route 6.

Building Inspector Andrew Bobola (L) and Albert Sylvia (R) explain to viewers the carpentry work involved in completing the hall to the town accountant's and district nurse's offices.

Chairman DeCosta explained to those gathered in the selectmen's meeting room as they enjoyed refreshments furnished by the Mattapoisett Inn and town hall employees that the renovations were done at no cost to the town; all was donated.

He explained that a $10,000 anonymous donation covered everything. "We are fortunate in this town to have so many special people. I love this town very much." When Building Inspector Andrew J. Bobola told of all the work the chairman did he said, "Jack stretched the $10,000 donation to $15,000 worth of work."

The District Nurse has moved from the second floor, temporarily to a front office and is now located at a much more convenient location in the new addition. Lindy Boyd, R.N. said many seniors have expressed pleasure at the more accessible nurse's office which is reached from the back parking lot. There is also an open common space complete with cabinets, counters and the coffee machine.

The town accountant and town treasurer/ tax collector have moved to the new addition and have adjacent offices thus making for better communication. They, too, are more accessible for residents to enter from the parking lot door to pay their

bills to the treasurer. The former treasurer's office is now used by the executive secretary and selectmen's secretary; the former town accountant's office is being used by the Council on Aging office, having been moved from the second floor, and now is more convenient for seniors.

Mr. DeCosta gave particular appreciation to Mr. Bobola for coordinating all renovation work as well as coordinating the installation of plumbing, heating and electrical work for the addition. "Andy oversaw the purchase of materials and through his effort we were able to obtain some materials through donations. Not only did Andy coordinate but he assisted in many phases of the construction work to insure completion of this

project in a timely fashion.

"Andy's talents, perseverance and dedication were instrumental in the completion of this renovation project. We greatly appreciate all your efforts, and we thank you." The chairman noted Executive Secretary Carol Adams maintained bookkeeping records of spending for materials so "we didn't go over the $10,000 donation."

In response to the chairman's compliments, Andy responded saying to the assembled group, "Needless to say, Jack exemplifies what is best about Mattapoisett. He was clerk of the works and he saved us a great amount of money." Andy said Jack was instrumental in obtaining a number of donations of materials and items. He took many trips to Taunton surplus depots in order to keep spending to a minimum. He was instrumental in demolishing the old police department floor, walls and ceilings; he painted file cabinets and stained baseboards and doors throughout the town hall building. He built bookcases and cabinets for the treasurer's office as well as additional cabinets for other locations in the town hall. He cut materials at his home with his own equipment; assisted the wire inspector in removal of old wiring in the police station and help-

Mr. DeCosta cited the key people who started the project in May and completed it in October, with a few final touches such as the donation of a wall clock by Arthur and Susan Hovasse of The Pen and The Pendulum, placed in the common room in the new addition.

Foremost of the key people are David and Katherine McIntyre and Frank Suzan representing Mahoney's for the donation of a furnace for the new addition, complete with installation with George DeCosta removing the old wiring and installing new wiring for the furnace, and Peter Perkins, Ronald Scott, Andy Bobola and Selectman Paul Lambalot for installation of the furnace.

Other key people: Paul Kelley and Paul Magee, installation of wiring of fire and burglar alarm system; R. William Blasdale, donation of mini-blinds for entire addition as well as blinds for the executive secretary's office; Walter Rusinoski, donation of light fixtures and ballasts for addition; James

quired. This course qualifies operators less than 16 years old for the Massachusetts safety certificate they need to operate motorboats of more than 25 horsepower. Course manuals and any needed plotting equipment may be purchased at registration.

The lessons cover topics which include boat handling, seamanship, safe boating practices, equipment requirements, nautical rules of the road, marine radiotelephone use, compass and chart familiarization, aids to navigation, weather, sailing, and engine troubleshooting. The course features "hands-on" chart and plotting practice and basic marlinspike seamanship under the guidance of the instructors.

Every year thousands of boating enthusiasts all over the United States attend the USPS Boating courses presented by the 445 local squadrons of USPS, and they find the course is an enjoyable way of learning how to increase their boating pleasure in a safe and seamanlike way. Most USPS Boating courses, including those of Mattapoisett Power Squadron, are taught by experienced sailors and power boaters who volunteer their time and energy as service to other boaters and prospective boaters.

Anyone wanting more information about the USPS Boating course may contact Walter Sawyer at 758-2769, Dick Fearing at 748-1890, or John Balonis at 947-0202.

A certificate of completion is awarded to all who complete the course and pass the final examination.

The course is open to anyone 12 years old or older. Boat ownership is not re-

pounds of food in November. That is purchasing power. The food is purchased in bulk, and repackaged into family size units by volunteers at the warehouse in Canton, MA. This kind of work, as well as that at the Marion site, can fulfill the 2 hours of volunteer service requirement.

Marion SHARE's host site will be determined within a week. Please watch for announcements.

Registration is Monday, January 8th, from 11:30 a.m. to 2:00 p.m. Please bring $14.00, cash or food stamps ($5s and $10s); package ordered, the person must pledge 2 hours of some kind of volunteer service to a community organization or to an individual.

This is a program sponsored and operated by volunteers. There are no age, income or other limits. It is not a government program. All the food is purchased by experienced buyers who have special contracts with growers and manufacturers. As with any co-op plan food is available at a reduced price because of volume purchasing. For example - 16,600 New England people paid $202,800 (at $13.00) for 580,000 must be attached to the book. No checks can be accepted. $13.00 is for the food package. There is no limit to the number you can purchase at $13. each. The extra dollar is for our administrative expenses for paper, telephone calls, gas, etc. (we are all volunteers.)

Distribution is Saturday, January 25th (all SHARE programs nationwide distribute this day.) The time is to be determined by schedule at the warehouse. We must collect the food we ordered on the morning of the 25th. John Boyd has volunteered a truck for the purpose. Thank you, John.

The food package(s) you order will include the following items: 6-10 pounds of frozen chicken and meats, 4-7 fresh vegetables, 2-4 fresh fruits, and staples such as dried beans, pasta and cereal. It is of excellent quality, fresh and varied each month. It is good, nutritious food.

We hope to see you at registration, at the Marion United Methodist Church, 13 County Road, and please consider volunteering to help us on January 25th (Distribution Day) or at the Canton warehouse, time to be determined. It is light and friendly work.

Marion SHARE coordinators are Eunice and Richard Manduca, 748-1327, registration; Ruth and Paul Maker, 748-3824, distribution; Olive Harris, 748-0840, general program.

Hospice Tree of Lights

SHINES AGAIN IN WAREHAM

As more than 125 Hospice friends and family joined in Christmas carols the fourth annual Lighthouse Tree of Lights came to life on a mild December evening at the association's office on Main Street in Wareham. Throwing the switch to light the 1300 miniature clear bulbs was Rachel Penti, RN, of Carver, one of the founders of the local group in 1982.

Following a welcome by Mary Luby, ex-

ecutive director, the Rev. George Taylor of Rochester offered an invocation. The guests then joined in carol singing with the combined Girl Scout chorus and the junior choir of the First Congregational Church of Rochester, led by choir director Viola Taylor. An informal open house and refreshments followed.

The handsome evergreen tree was donated by Mr. and Mrs. William Field of Mattapoisett. Each light represents a donation of $5. to Hospice in honor or in memory of a loved one. The tree will remain lighted throughout the holiday season, and lights will be added for dedications received after the lighting ceremony. Chairing the event was Elizabeth Field of Mattapoisett, and refreshments were arranged by Emilie Rose of Wareham and Katherine Church of Rochester. Assisting with invitations were Betty Bangs and Elizabeth Wish of Marion, Priscilla Thompson of Mattapoisett, Esther Walkey and Charlotte Hubbard of Buzzards Bay, and Elaine Bernier of Middleboro. Decorating was by Pam Hughson of Wareham and the Hospice staff.

Proceeds from the Tree of Lights are a major source of help to Lighthouse Hospice in continuing its work of caring for the terminally ill and their families in Buzzards Bay, Carver, Lakeville, Marion, Mattapoisett, Middleboro, Onset, Rochester, Sagamore and Wareham.

Benefit Square Dance

WAREHAM AREA COUNSELING SERVICE

The annual benefit Square Dance for the Wareham Area Counseling Service will be held again this year in the Decas Elementary School, Wareham January 12th from 2:00 to 5:00 p.m.; admission is $5.00 per person. Refreshments will be served.

Singles, couples and families are welcome. Bucky Donaher will be Master of Ceremonies and in charge of callers. Betty Leonard will be in charge of cuers. The three large rooms available for dancing will accommodate beginners, intermediates and experienced dancers. All proceeds go to further services of the Counseling Service in the communities of Marion, Rochester, Mattapoisett, Wareham and surrounding communities.

A Thank You

As many others have, may I express my thanks to our ambulance attendants for a quick response and fast trip to St. Luke's Emergency Ward a few days ago when a severe cold on top of my chronic bronchitis made it difficult for me to breathe. They, as well as the hospital doctors and nurses, were friendly and efficient.

And I do want to include my thanks also to my "back-up crew" who stayed with me in the hospital and then brought me home at 3 o'clock in the morning. We were all a tired group that day. The return crew were my wife Dolly and son Bruce Rocha.

Sincerely, Joe Rochette

Letter to Jean West

MUSIC TEACHER CENTER SCHOOL

This letter is to let you know how much fun it's been to watch the performance of Center School's "Of Mice and Mozart".

The countless hours of practice and rehearsal that went into this play by you and your assistants, as well as the students, produced an upbeat and somewhat comical musical play that represented the life and 200th anniversary of Wolfgang Mozart's death that was outstanding.

It was a pleasure to watch a large group of students sing and portray their lines in the play while never missing a beat or taking their eyes off of you, anxiously awaiting their next cue.

Congratulations to you, your assistants, and last but not least, the students on an outstanding performance.

that to cover the town in one day it now takes 2 trucks (4 men) to collect and at least one other to store the items. With a reduced DPW staff it has become impossible for so many workers to be committed to recycling. Therefore, starting January 8th, we are reducing the collections curbside to one area of town on the first Wednesday and the other areas the third Wednesday.

All items, except glass, have been good products to sell to our collector, South Shore Recycling, who then sells them in the open market. Since July our glass has been rejected twice because of contamination. Although most of it was not contaminated with metal caps, rings and neck foil and clean, some of it was and contaminated the whole lot. Not only did we lose a valuable resource, but also more than $1,000 of payment to Marion's recycling effort. With great reluctance we had to dispose of the glass instead of recycling it. At the factory glass is chopped into very small pieces called "cullet", and then is melted and reshaped to make new bottles and jars. Metal and food remnants are unacceptable in this process.

In July Rob Zora set up a manned checkpoint at the Recycling Center which worked well until Hurricane Bob arrived, when more urgent duties did not permit this checking. We have renewed this checking system which again seems to be working. Everyone's goal must be Quality Control.

For labor savings, please tie newspapers, saves room on recycling truck and in storage truck, saves work for attendant;

Highway Surveyor Wesley N. Bowman is waiting for the cement mixer to start putting the top on the Long Wharf and fill the gaping hole at the end of the wharf caused by Hurricane Bob. He was complimented by the Board of Selectmen on Tuesday, December 10th, for the excellent job that has been done by him and his crew. Up until dark, Mr. Bowman could be seen still working on the backhoe in preparation for the cement the next day.

S. Ellis Selected as Judge

Mr. Stanley W. Ellis, Old Hammondtown School's Instrumental Director, was recently asked to judge percussion for the All Cape and Islands Concert. On November 20th Mr. Ellis listened to a total of fifteen percussionists perform on snare drum, xylophone and tympani. The eight high school students who received the highest scores will perform in either the band or orchestra at the All Cape Concert in January.

Mr. Ellis' selection was the result of his efforts at the Old Hammondtown School.

N.B. Choral Society

The Greater New Bedford Choral Society will resume weekly rehearsals on Tuesday, January 14th, at 7:30 p.m. at the First Unitarian Church Parish Hall, 81 Eighth Street, New Bedford.

Highlighting this Spring 1992 season are plans for a joint concert with Sippican Choral Society of Marion. The featured work will be Mendelssohn's "Elijah". Tentative concert dates will be in May.

New members are welcome to join the Greater New Bedford Choral Society at any of the first 3 rehearsals, January 14th, 21st, but no later than January 28th. No auditions will be held, but choral singing experience and the ability to read music are recommended. There are openings for all voices, but tenors and basses are especially welcome.

Rehearsals start at 7:30 p.m. and end promptly at 9:30 p.m. Former members and new members are advised to arrive before 7:30 to register and obtain music scores.

Gerald P. Dyck is the director and Anne Lamoureux is the rehearsal accompanist.

MATH OLYMPIAD

The 1991 Massachusetts Association of Mathematics Leagues (MAML) Level 1 Mathematics Olympiad results are in and two students from Old Rochester Regional High School are among the top scorers once again. A total of 122 schools and 4911 students from across the Commonwealth competed in the 28th Annual Examination which is used to identify the top secondary students in the field of mathematics. The top 100 students are then selected as finalists and are invited to compete in a second level exam in March of 1992.

Robert Reid of Mattapoisett and Jessica Rogers from Rochester. Robert, ranked in the top 1%, was designated as a finalist, and Jessica, ranked in the top 4%, will be receiving a Certificate of Merit for her outstanding accomplishment.

Both Robert and Jessica are seniors at ORR, are students in the AP Calculus course, and are co-captains of the Math Team. Rounding out the top four students from Old Rochester were Ed Xavier (junior) and Courtney Hohne (sophomore).

"It was a good showing by the students at ORR", according to Mr. Cameron, the Math Team coach. "All the top scorers are valuable members of our Math Team this year and have worked extremely hard over the past several years to reach this level of success. They've done hundreds of additional problems each year and the combination of hard work and determination does pay off."

Congratulations go out to all the students who participated in this worthwhile endeavor.

5th Annual Railroad Show

The Old Colony & Fall River Railroad Museum Inc. will be sponsoring its fifth Annual Railroad Show on Sunday, January 19th, from 10:00 a.m. until 4:00 p.m. at the Municipal Veterans Memorial, formerly the Bank Street Armory, 72 Bank Street in downtown Fall River.

The show will be open to the public as well as dealers. A large crowd is hoped for, because all proceeds from this event directly benefit the museum.

According to Jay Chatterton, Chairman for the show, "There will be 100 tables of dealers and exhibitors from throughout New England selling Railroad Antiques and Model Railroad equipment for all gauges." The museum will have sales tables at the entrance as well as a food concession. All sales from these tables directly benefit the

UP, UP AND AWAY

Fly into the New Year -- soaring, stunting, jetting or gliding -- from sea to shining sea, across America's vast farm lands, mountains, lakes and forests at the Mugar Omni Theater during its premiere screening of the classic film TO FLY!, January 17th through June 18th, 1992.

Over 55 million people around the world have seen this exhilarating film which opened to rave reviews at the Smithsonian's National Air and Space Museum on July 4th, 1976. In 1988 former President Ronald Reagan presented TO FLY! and two other Hollywood films to Soviet President Mikhail Gorbachev at the Moscow summit as "the best of American film-making".

Known for its startling visual effects, TO FLY! dramatically presents America's story of flight against a breathtaking panorama of landscapes on the Omni Theater's 76-foot domed screen.

Audiences balloon over the Vermont countryside and Niagara Falls; do aerial somersaults in a barnstorming biplane; cut through the sky in Blue Angels; soar over crashing waves and breathtaking cliffs in Hawaii and blast into space from Cape Canaveral.

To achieve the film's stunning aerial effects, cameramen teetered atop cranes and dangled out of flying helicopters. The moviemakers slung cameras under the wing of a stunt plane and the belly of a jumbo jet, and even bolted a camera to an F-4 jetfighter.

The popular five minute short New England Time Capsule, which features aerial footage of Boston and New England, is shown with TO FLY!

The Mugar Omni Theater is also presenting two additional films through June: TO THE LIMIT, and OMNIMAX film that takes viewers on a ride through the most extraordinary machine ever created -- the human body; and RING OF FIRE, an explosive film that brings audiences into the volatile volcanoes that encircle the Pacific Ocean.

Admission to the Omni Theater is $6.00 for adults and $4.50 for children 4-14 and senior citizens. For more information and show times or to reserve tickets call the Museum of Science at (617) 723-2500.

The Boston presentation of TO FLY! is made possible through the generosity of the Michael and Helen Schaffer Foundation, Inc.; Massport, Boston-Logan International Airport; and the Boeing Company.

NEW GYMNASTIC INSTRUCTOR

The Wareham Recreation Department is pleased to have Sue Benoit as their new Gymnastic instructor.

Sue has been involved with gymnastics nearly her entire life. As a child she took lessons and has now been teaching gymnastics for the past several years. In addition to working for the Wareham Recreation Department, Sue also teaches at the Gymnastic Academy of Mattapoisett. She would like to introduce both teen and team gymnastics to the Wareham Recreation program.

The Wareham Recreation progressive gymnastics program is currently offered for pre-schoolers ages 4 to 6 and youths ages 7 to 12. At either age level your child will start as a beginner and work through Intermediates towards the Advance classes. The instructor will track each child's progress on the skill level cards which are distributed at the end of each 9 week session.

The beginner classes are designed as an introduction for the first time gymnast. Basic skills on the mats, beam, vault and bars are studied. Your child will gain strength and confidence.

At the Intermediate level, basic skills are developed into basic routines. Previously learned skills are perfected and more difficult skills are added gradually. With

SPECIAL ADDED ATTRACTION-ZEITERION

New Bedford's Zeiterion Theatre announces a special added attraction - TANYA TUCKER in concert on Saturday, February 29th, for two shows, 7:00 and 9:30 p.m. The concert is being presented with promotional support from Country 98.1 WCTK of New Bedford.

Tanya Tucker. the recent winner of Top Female Vocalist from the Academy of Country Music, is one of the country's hottest voices today. A country music sensation since the age of 13, she has had a string of hit singles over the years including "Delta Dawn", "What's Your Mamma's Name?", "Would You Lay With Me (In a Field of Stone)", "Spring", "Strong Enough To Bend", "Love Me Like You Used to", "I Won't Take Less Than Your Love", "If It Don't Come Easy", and "One Love at A Time".

Tickets are now on sale for Tanya Tucker in concert. All seats are $22.00, reserved seating; senior/student $2. discount. Group rates are available. Tickets are available at the Zeiterion Box Office and are also available at all Ticketmaster locations or by calling Ticketmaster at (617) 931-2000.

The Zeiterion is funded in part by the Massachusetts Cultural Council, a state agency, and with funds from the Council administered by The Arts Lottery Councils of Acushnet, Freetown, Mattapoisett, New Bedford, Rochester and Wareham, the City of New Bedford, the New England Foundation for the Arts, and the National Endowment for the Arts.

Winter Driving Tips

Registrar of Motor Vehicles Jerold A. Gnazzo reminds motorists that with winter months just around the corner, inspection of safety and emissions items are necessary to insure safe and responsible driving. The following items are suggested for inspection and can greatly avoid any delays in winter travel: battery, brakes, exhaust system,

PARENTS AS PARTNERS

On January 16th Old Colony Regional Vocational-Technical High School will host the third in its series of Parents as Partners Presentations. This program will focus on teen decision making, the process and the results.

The session will be led by Rose Fernandes, a licensed social worker and intervention counselor at Southeastern Regional Vocational-Technical High School in Easton. Three of her students will join her in a panel presentation.

At issue will be sexual decision making, focusing specifically on the possible contracting of the HIV virus and eventual development of AIDS.

As part of Mrs. Fernandes' presentation, the television film "In the Shadow of Love" will be shown. The film, televised as an after-school special in October, is a hard-hitting drama aimed at making teens aware of the dangers and consequences of AIDS.

All Parents as Partners programs are free to the public, with special emphasis toward

reira, Brian Monte, and Cory Dias. Selected to the Standard-Times All Star Team were Adam West, First Team; Jamis Gamanche, Second Team, and Darryl Bailey and Cory Dias as Honorable Mention. Old Colony's nominee for the Otto Graham Award was Adam West.

Coach Gonsalves also presented the Varsity Coaches' Award to Jamis Gamache and the Most Improved Player Award to Cory Dias while the Junior Varsity Coaches' Award was given to Matthew Burke and the Most Improved Junior Varsity Player to Timothy Charron. The Freshman Coaches' Award was given to Brian Ducharme.

Gerald Burke, President of the Gridiron Club, presented players who have been in the football program for 3 or more years with school jackets for the dedication they have shown to the program.

FIELD TRIP TO FORT DEVENS

A recent field trip to Fort Devens afforded Old Colony Regional Vocational-Technical High School Culinary Arts students an unusual insight into food services.

Accompanied by Chef/Instructor George Gregory, 11 juniors journeyed to Ayer to see the military base's food service component in operation.

The day's activities included a tour of the facilities, including the medical dietary program, and presentations on purchasing, cooking and equipment. The students later joined the troops at lunch.

Mr. Gregory praised the NCOs who

conducted the program, saying that they were "very, very good and gave an excellent talk" on the service. The lunch showed both "quality (of preparation) and service", he added, stressing that the meal was "not like institutional food. It was more like restaurant quality."

The Old Colony students participate in similar events "whenever the opportunity permits" since the Army offers a package for food service training to students who enlist.

OFFICERS ELECTED

Non-traditional students at Old Colony Regional Vocational-Technical High School have elected their group officers for the current school year. These are students who are studying career fields which have previously been closed to members of their sex.

Cheryl Benner, a senior in the Machine and Tool Technology shop, has been elected president. Carrie Russel, a senior Drafting student, is vice president, and junior Heather Bettencourt, also a Drafting student, is treasurer. All three of these officers reside in Rochester. Lakeville resident and a junior Drafting student, Melissa Carney will serve as secretary.

The group is made up of 17 students who plan activities and attend conferences concerning career options throughout the school year. Each spring the Old Colony organization hosts a Non-Traditional Careers Day with speakers and presentations in various aspects of the work world.

HONOR ROLL

Report cards for the first trimester at Old Colony Regional Vocational-Technical High School have been mailed to parents and/or guardians.

Winter Skies

WITH THE LLOYD CENTER

Everyone knows what stars are - pinpoints of light in the night sky. Have you ever wondered any more about them? Are they planets? Stars like our own sun? Begin your exploration of a new world at the Lloyd Center on Sunday, January 5th, when we explore the mystery and beauty of the winter sky. During this two hour presentation, participants will become familiar with the stars and planets in the winter sky. Join leader Ethan Guiles and learn to recognize and identify constellations like Orion, Cassiopeia, Taurus and Gemini and the planets Jupiter and Mars.

This presentation, a part of the Lloyd Center's regular weekly walk program, begins at 7:00 p.m. with an introduction to the heavens, followed by actual observations of the nightly phenomena of the winter sky. To participate in this program call the Lloyd Center at 990-0505. There is a charge for this program; $4. for Lloyd Center members and $6. for non-members.

Other Lloyd Center events being held in the future include The Quabbin Reservoir Walk on January 12th, The Seal Watch on January 18th, and The Raptors of Lakeville on January 19th. For more information concerning these or any other Lloyd Center events call or write the Lloyd Center at 990-0505, P.O. Box 7037, South Dartmouth, MA 02748.

Classic Film Series

AT ZEITERION THEATRE

The futuristic film, "METROPOLIS", directed by Fritz Lang, will open the Zeiterion's Classic Film Series on Sunday, January 12th, at 2:00 p.m. The series will include the following films on Sunday afternoons: Harold Lloyd in "Safety Last" on February 9th, Rudolph Valentino in "The Eagle" on March 8th, Buster Keaton in "The Navigator" on April 12th, and F. W. Murnau's "Nosferatu" on May 17th. All the classic silent films are presented with live organ accompaniment provided by world-renowned organist Lee Erwin on the restored Grimshaw-Gudewicz Wurlitzer Theatre Organ.

"Metropolis" (1927), the first great science fiction film, is a futuristic fantasy of life in the year 2000. The reviewer for "The Nation" wrote at its premiere in 1927, "As Fritz Lang has directed it, 'Metropolis' is more stylized fantasy than realism. Even in the torrential revolt of the workers as they pour through the machine-rooms, alive, demoniacal, there is an air of unreality... Here for the first time the chill mechanical world of the future...has been given reality. Here is the city, that tormented circus of buildings which touch the sky, of tunnels that disrupt the places under

the earth...Machines sliding through the earth, challenging the cosmos, pounding out human resistance as they set the awful tempo of life."

Lee Erwin of New York will be returning to the Zeiterion to play the silent film scores for the entire series. Last season he played the scores for the Zeiterion's first classic film series as well as for the benefit performance of "Down to the Sea in Ships", sponsored by the Volunteer Council of the New Bedford Whaling Museum and the Zeiterion Theatre. Mr. Erwin is known by millions of Americans as a featured organist on both radio and television for more than thirty years. He was the chief organist for the famous "Moon River" radio program on Cincinnati's WLW radio, and later became organist, composer and arranger for the various Arthur Godfrey shows. He has composed new scores for many of Hollywood's silent movie masterpieces, giving them new life on theatre organs in movie palaces across the nation.

Tickets for the classic films are $5.00 each, and all five films will be available for the subscription price of $20.00, a 20% savings. Senior/student tickets are $4.50. Group rates are available. Tickets are available at the Zeiterion Box Office and are also available at all Ticketmaster locations or by calling Ticketmaster at (617) 931-2000.

The Zeiterion is funded in part by the Massachusetts Cultural Council, a state agency, and with funds from the Council administered by The Arts Lottery Councils of Acushnet, Freetown, Mattapoisett, New Bedford, Rochester and Wareham, the City of New Bedford, the New England Foundation for the Arts and the National Endowment for the Arts.
